

Whinless Down Academy Trust Strategic Aims, Vision and Values

'Learning Changes Lives'

For all schools in the Multi-Academy Trust to;

- Retain their unique local identity whilst subscribing to the Trust's values and vision.
- Be committed to school improvement relentlessly striving to become outstanding
- Ensure teaching is good and continually improving.
- Provide a curriculum that excites, enthuses and engages ALL learners
- Be mutually supportive, by sharing, working together, engaging in professional dialogue and ensuring CPD is maximised for all staff across the Trust.
- Retain our highly motivated members of staff by providing pathways for management and leadership opportunities.

Aspiration, Happiness, Courageous, Collaboration, Imaginative, Empowerment

Aspirational

- We instil high expectations
- We promote a sense of ambition

Happiness

- We demonstrate compassion to all
- We encourage achievement to forge success

Courageous

- We are prepared to take risks and encourage children to challenge themselves
- We never give up

Collaboration

- We are united in our educational aims.
- We use each other's expertise to secure improvement

Imaginative

- We inspire and innovate creative thinking and thinkers
- We create environments where children soar because adults constantly challenge perceived wisdom.

Empowerment

- We enable children and adults to achieve the highest standards.
- We allow adults and children to think and communicate without fear.
