Welcome back to School!

I hope you all had an enjoyable Christmas and New Year!

The end of last term was as busy as always, raising nearly £1000 from the Christmas Fayre, so many thanks to you all for supporting our school events. We are looking to raise enough funds to extend the adventure playground on the field, so look out for upcoming events, including our Sponsored Spell later this term and a Pamper Night in term 4.

We would like to take this opportunity to thank our whole school community who supported us throughout Term 2.

We held a number of events that required pupils, parents and school staff to dig deep into their pockets and give their time. In a fairly short space of time we repeatedly called upon you and we have been truly amazed at the generous responses from our families. To have families who show the value of generosity makes for a wonderful environment for all of our children.
