Responsible Rabbits!

At school this week, we have been talking about our value of **responsibility** and we have been using the British Value of democracy to hold elections for our school council. We are pleased to announce the school councils are:

Year 1: Megan

Year 2: Ava & Eryk

Year 3: Charlotte & Dexter

Year 4: Kiera & Lily

Year 5: Lavelle & Freddie

Year 6: Thea & Jack

In addition to this we have also elected House Captains in Year 6, who will be working more closely with our sports lead, Miss Critcher, this year to drive sports forwards.

Well done to the following children, who have been elected as house captains:

Isla S, Riley, Amelia B, Amelia C, Emmie, Harvey, Cillian, Isla W, Charlie & Harry

Last, but certainly not least, at the very end of last year we appointed our Year 6 advocates, who you may see around school in their smart blazers. Our advocates are lead by our Head Girl and Head Boy, and support the school in its day-to-day running as well as acting as role models and representatives for the school.

This year's Head Boy is: Alex

This year's Head Girl is: Erin

This year's advocates are: Bradley, Myah, Saffron, Daisy, Kalina, Hollie & Lois

A word from the Head Girl and Boy:

As Head Girl and Head Boy at St Martin's School, we would like to keep the pupils at our school as happy and motivated as possible! We look forward to working with an amazing team of advocates & staff and our goal is to make St Martin's the best learning environment by promoting a great attitude towards all learning and our school environment. We look forward to working with the Eco-Defenders because we also want to make school more eco friendly and like spreading the message about reducing waste.

Attendance Matters!

Dover	96.4
Deal	97.1
Dymchurch	97.1
Broadstairs	94.6
Walmer	99.2

It's important to be motivated to come into school. When you're in school you can learn and socialize with your friends!
