Learning Lift Offs!

There have been some very exciting Learning Lift Offs this term! Deal class enjoyed a bonfire night experience, making Guys as part of their 'Seasonal Journey' topic! Meanwhile, Dover class have been junk modelling to start their new topic, 'How can I make it?'. Dymchurch class have become 'Explorers' for the term and explored our local area. Broadstairs class began their 'Battling Britain' topic with a battle! Walmer class lifted off their 'Bright Sparks' topic by getting stuck in to an experiment to test if fruit and vegetables can be used to light a lightbulb. Folkestone class have been river dipping, and Margate class have been creating poppies and wreaths, which next week will be taken to the Cenotaph in Dover. Here are a few photos of the Learning Lift Offs in action:

These photos are 'hot off the press'. However, keep an eye out on our 'Class Pages' on the school website— more photos of our fantastic learning lift offs will appear here soon!

Online Safety!

In the ever-changing, tech-heavy world in which our children live, it can be tricky to stay up to date with all the latest apps, online games and websites that our children use. Visit the

[Online Safety Page](#)

on our school website to read our online safety newsletters and to access easy-to-read guides based around a range of apps, from YouTube to Instagram and Minecraft.

Still concerned? Please speak to one of our Designated Safeguarding Leads, Mrs Thompson, Miss Dear or Mrs Howarth for further support.

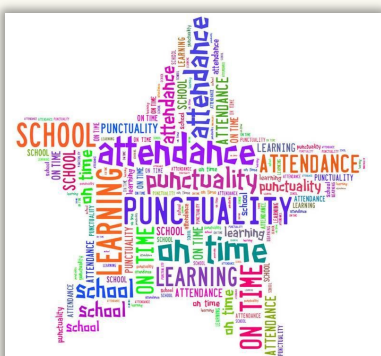

Don't forget to book your Parent Consultation appointment for next week on

Amazing Attendance!

This term, classes at St Martin's School will be competing to be our attendance superstars, with a special treat for the winning class!

A huge congratulations to Walmer class for having 100% attendance this week!
