Fundraising Superstar: Charlie!

**Charlie swam 2 miles
in 2 days and raised an
outstanding £405 for
Dementia and
Alzheimer's research!**

*We would like to welcome Mrs Buddle
the Trust Administration
Assistant who is currently working in
our school office.*

We are calculating the final winners for the Attendance Derby...winners to be announced after half term!

Dinners

Next term's dinners are now ready to book. Please could I remind you that dinners need to be paid at the time of booking.

Afterschool activities

These are now available to book; please see the flyers for more information. Places are limited on a first come, first serve basis. However, keep an eye out for spaces as they often open up due to cancellations.

Respect for our neighbours

Unfortunately, it has come to our attention that some of our parents/carers are not using our surrounding roads in a respectful or responsible manner.

Please may we take this opportunity to remind you that the following is not courteous use of the road:

Parking across driveways

Double parking, which may prevent a fire engine or bin lorry passing

Parking across the whole path, leaving no room for prams to pass

Whilst we understand the challenges of parking in the residential area surrounding the school, we must act in ways that are both conducive to the school's values and in ways that show courtesy towards our neighbours.
