

Good morning, Year 4 for your work today, in the table below are 4 different lessons. You need to complete what each lesson says. You can complete them in any order.

<u>Maths</u>	<u>English</u>	<u>Science</u>	<u>Computing</u>
<p>Practise 9 times tables, and create a game to play with a partner eg pairs or snap.</p> <p>Do 5 sound checks on TTRS or complete the sheets too.</p> <p>This week we have been thinking about using mental methods for addition, can you write 4 word problem questions to show this, e.g. I have 345 marbles and was given another 622, how many have I in total?</p>	<p>Reading focus Choose a book fiction or non-fiction magazine, article or comic and create a review including what was your favourite part and why did you choose it?</p> <p>Can you finish a book today so that you can quiz in school tomorrow?</p> <p>Spelling focus </p> <p>See spellings below. Go on to Purple mash, I have created a spelling task for you and set it as a 'to do'.</p>	<p>Our topic is electricity, can you go around your home and identify appliances that use heat, movement, sound and light. Create a poster to show this.</p> <p>Challenge: Design your own device that will use sustainable energy only. What will it do? What will it look like? How will it be charged? What sustainable energy source will it use? Draw this object and label it, then write a short piece to describe it. E.g. a lawnmower that runs on solar power.</p>	<p> Using Purple mash write about all the online safety that we have covered or be creative and think of a way to show your learning.</p> <hr/> <p><u>PE</u> - Let's get active! Cosmic Yoga - follow this link Harry Potter, or if you haven't got the internet, then think back to our yoga lessons with Adele in school and make your own routine up.</p>

	<p>Spelling fun: write your spellings in a rainbow arch. How creative can you be when learning these words?</p>		
--	---	--	--

Spellings: infection, reflection, completion, invention, construction, relation, action, question, pollution.

(Check Purple mash too.)

Baseline times tables
