

## **DOVER CLASS HOME LEARNING**

Welcome to Home Learning in the EYFS!

The termly home learning grid outlines a range of home learning activities that the children can choose from throughout the term. The expectation is that children complete 6 tasks by the end of the term. You can present the home learning in whichever way you choose e.g. photographs, making things, writing etc. Once an activity has been completed you can colour in the corresponding square on the grid. At the end of term, if a minimum of 6 tasks have been completed the children will receive a certificate.

We actively encourage you to work with your child to complete the activities and support them where required. Home learning books can be handed in every Monday morning if you have completed some new learning that you would like to share with us. The book will then be returned to you as soon as possible after that to enable your child to complete further activities. The books will then be collected on the last Monday of term to be looked at one final time. We understand that some weeks are busier than others, so hopefully this system will allow you a little flexibility in how you manage the home learning with your child.

Please continue to hear your child read and share their library book as much as possible, and record a comment in the Reading Record.

We really appreciate all your support!

Any concerns please do not hesitate to speak to one of us.
