

Some Online Platforms used in School

At the Whinless Down Academy, we subscribe to a number of online platforms to assist children's learning and improve their digital skills. Here is a short introduction to some of the platforms we use. Your child will have a personal login for each platform which they can bring home to complete any home learning tasks. Please speak to your child's teacher for more information,.

Purple Mash

purple
mash

Your child uses this cross-curricular online platform to work through tasks set by their teacher. These can range from desktop publishing to music, with many tasks linked to the class topic.

Times Tables Rockstars

Your child uses this online platform to compete in maths challenges. They receive rewards within the game and progress to higher, more challenging levels.

Microsoft 365 (Office)

Key Stage 2 children use Office 365 for class collaboration in Teams, the office tools of Word, Excel and Powerpoint as well as other apps within the system.

Collins eBooks

Our eBooks system allows teachers to allocate books to children from a vast online library of over 1500 books.
