

EYFS Term 5

Sizzling Summer

This term your child will be learning to...

Expressive Art and Design

Talk about what they have created and made. Sing in a group or on their own, matching pitch and melody. Draw and paint living things.

The Big Idea

Where do different animals come from? Where do plants come from? What do they need to grow? This term, we will dive head first into finding out about lots of different animals and plants in the natural world; be it a real life experience of finding mini-beasts in the outside area or finding out about different plants and habitats across the world.

Drawing Club

Superworm
10 Little Bugs
Danger Mouse
The Tiny Seed
The Enormous Turnip

Literacy

Read and write simple phrases and sentences in line with phonic knowledge. Read longer words and tricky words. Begin to write simple sentences. Form letters correctly and begin to use capital letters, full stops and finger spaces.

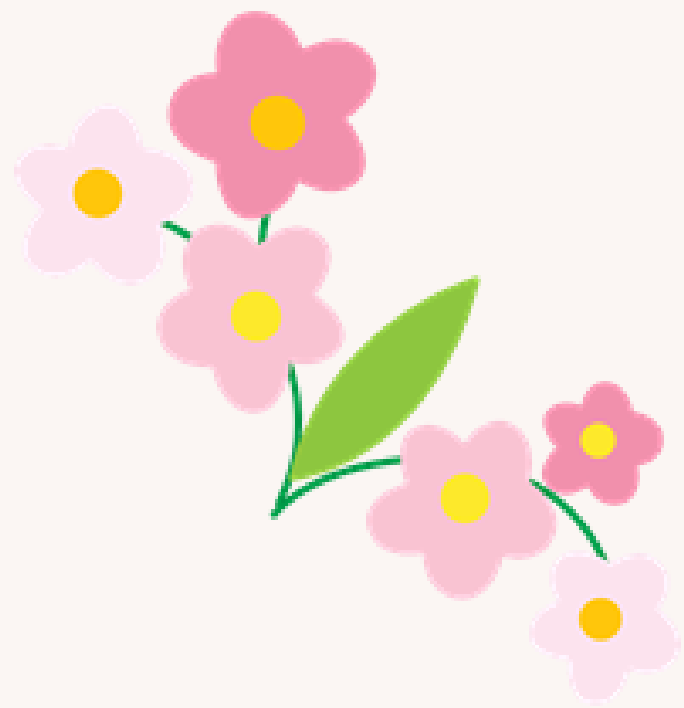

Maths

Understand the composition of numbers 9 and 10. Subitise numbers to 5. Explore odd and even numbers and amounts. Solve real life problems. Compare the weight of objects. Select, rotate and manipulate shapes.

Understanding the World, including

RE

Make observations of plants and living things. Recognise and describe changes in seasons. Talk about lifecycles of plants and animals. Explore the five senses. In RE, begin to think about where we belong.
