WHINLESS DOWN ACADEMY TRUST

TTRS AND NUMBER DAY!

We had so much fun celebrating Times Tables Rock Stars (TTRS) and Number Day!

Children lower down the school explored the wonderful world of numbers through fun activities and games.

Years 2–6 enjoyed times tables challenges, including our 'Ultimate Rock Off', where classes competed to answer the most questions correctly in the quickest time. We'll announce the winning class on Monday!

A huge thank you to everyone for the amazing outfits worn on the day!
