Year 1 Home learning for Term 1 – Me, Myself and I

Reading Pond Target: 25   Homework Target: 6

Each week children are expected to read at home at least three times a week, more if you want to be entered into the Reading Pond. In addition children will be given weekly/termly spellings and Maths facts to learn.

The grid below outlines a range of homework tasks the children can choose from over the course of the term. The expectation is that children complete 6 pieces of homework by the end of term. You can present your homework in the homework book provided in whichever way you choose (photographs, making things, diagrams, writing etc.) but always thinking about presenting your work neatly and carefully as you would in school.

Once an activity has been completed you can colour it in neatly on the grid, which you can stick in your homework book.

At the end of term if you have handed it at least 6 pieces of homework you will receive a certificate.

Make a collage all about Deal.	Measure – find objects around your home and put them in length or height order. You can use anything you like – make us giggle!!!	Household jobs… Post a letter to someone. Can you find out where it is going on a map?
Visit Deal and take some photos of what you saw.	Explain 5 things about you that we might not already know.	Cook your favourite meal with the help of an adult.
Create a poster telling us what you know about using your Growth Mindset.	Learn your number bonds to 10.	Make a picture of your family using any materials you like.
Practise making number bonds to 10 using lots of different objects.	Make a self-portrait using different materials.	Find all the different ways of making the number 8. You can show us in any way you like – use things around your home.
Read your favourite book. Take a photo of you and your favourite book and tell us why it's your favourite.	Care for a brother, sister or friend by using your sharing skills.	Describe your journey to school. You could take photos to caption them or draw a map of your journey.
